

Lisa knows, from experience, just how important accessibility is. She runs a business that's accessible to everyone. Her customers appreciate it, and so do her employees.

"It's been a banner year for my business, so I'm pulling out all the stops and throwing my staff a holiday party at one of The City's best restaurants. The restaurant I chose has terrific food, great service and is easily accessible. It wouldn't be much of a party if all my staff didn't feel welcome."

**Accessibility is worth celebrating**
